To the Shareholders,

In our capacity as statutory auditors of your Company and in compliance with article L. 225- 115 5° of the French commercial code (*Code de commerce*), we have prepared this attestation related

to the global amount of payments made in compliance with 1 to 5 Article 238 bis of the French Tax Code (*Code général des impôts*) for the year ended December 31, 2020, contained in the attached document.

This information has been established under the responsibility of the Chief Financial Officer. Our role is to attest this information.

In the context of our role as statutory auditors, we have audited the annual financial statements of Publicis Groupe S.A. for the year ended on December 31, 2020. Our audit was conducted in accordance with professional standards applicable in France, and was planned and performed for the purpose of forming an opinion on the annual financial statements taken as a whole and not on any individual component of the accounts used to determine the global amount of payments made in application of 1 to 5 of Article 238 bis of the French Tax Code (*Code général des impôts*). Accordingly, our audit tests and samples were not carried out with this objective and we do not express any opinion on any components of the accounts taken individually.

We have performed those procedures which we considered necessary to comply with professional guidance issued by the French national auditing body (*Compagnie nationale des commissaires aux comptes*) for this type of engagement. Our work, which constitutes neither an audit nor a review, was performed in accordance with the professional guidance issued by the French Institute of statutory auditors (*Compagnie nationale des commissaires aux comptes*) relating to this engagement. For the purpose of this attestation, our work consisted in reconciling the global amount of payments made in application of 1 to 5 of Article 238 bis of the French Tax Code (*Code général des impôts*) with the accounts and verifying that it is consistent with supporting elements that have been used for the preparation of the annual financial statements as of December 31, 2020.

On the basis of our work, we have no matters to report on the reconciliation of the information concerning the global amount of payments made in application of 1 to 5 of Article 238 bis of the French Tax Code (*Code général des impôts*) as stated in the attached document and amounting to € 525 000 with the accounts that have been used for the preparation of the annual financial statements as of December 31, 2020.

This report serves as a certification of the total amount of payments made in application of 1 to 5 of Article 238 bis of the French Tax Code (*Code général des impôts*) within the meaning of Article L. 225-115 5 ° of the French Commercial Code (*Code de commerce*).

This attestation has been prepared solely for your attention within the context described above and may not be used, distributed or referred to for any other purpose. Courbevoie and Paris-La Défense, April 28th, 2021
